

# W5 Solutions Secures Previously Communicated Order Worth SEK 148m from Kongsberg Defence & Aerospace

**W5 Solutions' business area Integration has secured an order worth SEK 148 million from Kongsberg Defence & Aerospace (Kongsberg). The contract includes the design, manufacturing and integration of advanced shelter solutions for operator stations for a mobile and modular defence system. Delivery is planned during 2026–2027. The order corresponds to one of the opportunities previously communicated in the press release on 12 March 2026 regarding two orders under negotiation with a combined indicative value of approximately SEK 274 million.**

It marks the beginning of a collaboration with Kongsberg and represents a new application of W5 Solutions' proven shelter technology for military use.

"We are proud to begin this collaboration with Kongsberg," says Evelina Hedskog, President and CEO of W5 Solutions. "This contract reflects the strength of our shelter solutions and our ability to deliver advanced systems that meet demanding defence requirements."

## About W5 Solutions

---

W5 Solutions' vision is to become the leading global provider of sustainable defence technology. The company develops and delivers cutting-edge solutions that strengthen both its own forces and those of its allies.
