

## BeammWave in analyst interview with Redeye

**Stefan Svedberg, CEO at BeammWave, interviewed by Rasmus Jacobsson – Equity Analyst, Redeye.**

What was the main take away from your Q2 report?

What can you tell us about customer traction?

What promises can be made?

*"We have so many good things going now. BeammWave is the first one in the world that can show distributed digital beamforming. On our Asia tour we met many large companies acting within the mmWave area, with whom we have had dialogues for several years and for sure – we will sign up customers during the fall", says Stefan Svedberg, CEO at BeammWave.*
