

Information brochure before the proposed distribution of Careium AB

The board of directors of Doro AB has proposed that an Extraordinary General Meeting on 22 November, 2021, resolves on a distribution of all shares in Careium AB, (publ) ("Careium"), which constitutes Doro's business area Doro Care, to Doro AB's shareholders.

Information regarding the proposed distribution and listing of the shares in Careium has today been published and is available in the form of an information brochure. The information brochure presents the background and reasons for the proposed split as well as a description of Careiums business and Doros remaining business.

The brochure and more information on the Extraordinary General Meeting are found [here](#).

The distribution of, and first day for trading in, the shares in Careium on the Nasdaq First North Growth Market is expected to take place in early December. Provided that the Extraordinary General Meeting resolves to distribute Careium, a company description of Careium will be published after it has been approved by Nasdaq and before the first day of trading.
