

FNS Städ becomes part of KEYTO Group

KEYTO Group continues its growth journey and strengthens its cleaning offering in Västmanland and Dalarna as FNS Städ becomes part of the Group.

FNS Städ is a Fagersta based cleaning company with a strong local presence and long-standing customer relationships across both residential and commercial segments.

Through this partnership, KEYTO further strengthens its position within cleaning in the region and continues to build density in existing geographies, supporting long-term growth.

“We are very pleased to welcome FNS Städ to KEYTO Group. The company has built strong local relationships and a stable business over time, which aligns well with our strategy to grow with high-quality service companies,” says Magnus Agervald, CEO of KEYTO Group.

We warmly welcome all employees and customers of FNS Städ to the KEYTO family.
