

PRESS RELEASE  
29 February 2024 09:58 CET

## Nolato reports comparative figures for its new group structure

As previously announced, from the first quarter of 2024 Nolato will conduct the Group's operations via two business areas – Medical Solutions and Engineered Solutions. The new Engineered Solutions business area includes the former Industrial, Consumer Electronics and EMC areas.

Below both quarterly and full-year figures for 2022 and 2023 based on the new group structure are presented. The report for the first quarter of 2024 will be published on May 6.
