

Invitation to Precise Biometrics Video Presentation of the Q3 Interim Report 2023

Precise Biometrics will publish its interim report for Q3 2023 on Friday, November 10th at 08:00. The company will simultaneously publish video interviews with CEO Joakim Nydemark and CFO Annika Freij in which they will comment on the report. In addition to the interviews, there is an opportunity to participate in a live Q&A session with Joakim Nydemark and Annika Freij on the report day starting at 10:00 am.

The interviews and the live Q&A session are part of the interactive video material created to supplement the report and provide further depth and a better understanding on the financial markets of the company's operations.

Investors, analysts and members of the press are welcome to watch the video interviews with Joakim Nydemark and Annika Freij on the report day, as well as participate in the question and answer session, via the interactive video player that can be accessed here:
