

## Loan financing of SEK 10 million to Prostatype Genomics AB

**Prostatype Genomics AB (the “Company”) has entered into short-term loan agreements of SEK 6.5 million with major shareholders and SEK 3.5 million with external lenders, with the option of further SEK 2.0 million.**

The loans carry a fixed interest rate of about 15 percent and shall be repaid, including accrued interest, no later than 30 June 2026.

– The loans strengthen our short-term financial flexibility and allow us to maintain focus on the Company’s strategic and operative priorities without immediate dilution for shareholders, says Fredrik Rickman, CEO of Prostatype Genomics AB.

The external lenders consist of a consortium, Finance Lab AB (<https://financelab.se>).
