

## INVISIO secures SEK 115 million order for Intercom and Dismounted Soldier systems

**INVISIO has received a significant order from an existing European customer for its Intercom and Dismounted Soldier systems. Deliveries are set to commence immediately and are expected to be completed by Q1 2025.**

The order, valued at SEK 115 million, includes systems designed to provide seamless communication capabilities for both mounted and dismounted users. The order reflects the growing demand for INVISIO's advanced communication solutions, which are designed to enhance operational effectiveness in demanding environments.

Lars Højgård Hansen, INVISIO CEO, said:

"This is another substantial order for our Intercom and Dismounted Soldier systems. We are very pleased once again to be reaffirmed that our solutions meet the very high expectations of users operating in the most critical and challenging conditions.

We also take pride in being able to deliver such a large order within a short period of time, which is a unique capability in our industry and demonstrates the competitive advantage of maintaining an optimized inventory."
