### About Profoto

Profoto was founded more than 50 years ago and has since then been the world leader in lighting products for professional photographers, driving innovation and awareness of how to create better images through light. We know that light is the indispensable source in all image creation – regardless of camera or situation. Creating great images is about mastering and shaping light. End users are professional photographers and commercial customers, such as large consumer-oriented brands and e-commerce companies. Profoto is currently represented in over 60 markets worldwide. Net sales in 2021 totaled SEK 732m with an adjusted EBIT-margin of 32%. As of April 2022, Profoto had 139 employees at the head office in Stockholm and in subsidiaries in the US, Japan, China, Germany, France, the UK and the Netherlands.
