

Heléne Sebrén to leave Eolus

Heléne Sebrén, Head of HR, has decided to leave Eolus and return to her own consultancy business after four years with Eolus. She will remain in her role, including the position in the Group Management until 30 September 2024.

Heléne started working at Eolus in 2020 as a consultant, and in September 2022 she was employed as Head of HR and member of the Group Management.

“ Heléne has been a highly valuable resource for Eolus in a period of strong growth where she has led the development of our organizational structure, recruited more than 100 employees and contributed to the establishment of strong organizations in all our markets”, says Per Witalisson, CEO of Eolus.

“I am grateful for the opportunity to be part of Eolus’s growth journey. Together we have built a strong organization that is well prepared for future success. I have now decided to return to my own consultancy business”, says Heléne Sebrén.

The process of recruiting a new Head of HR will start immediately.
