

MSAB announces change in executive management

MSAB today announces that Anders Jonson will leave his position as Chief Technology Officer (CTO) at MSAB.

"We would like to thank Anders for his contributions to MSAB and wish him all the best for the future," says Peter Gille, CEO of MSAB.

The recruitment of a new Chief Technology Officer has begun. MSAB's technology and product development activities continue as planned.

About Us

MSAB is a world leader in forensic technology for extracting and analyzing data from mobile devices. A European company listed on Nasdaq Stockholm (MSAB B), MSAB has public ownership and established governance. For decades, MSAB has been a trusted partner to law enforcement, military and government agencies worldwide. Developed in Sweden, its solutions are used exclusively by public-sector organizations and forensic laboratories. The company serves customers in more than 100 countries through its own sales offices and a global network of distributors. www.msab.com
