

Paxman publishes newsletter on orders to several markets this month

Today, Paxman publishes the December issue of its newsletter aimed at shareholders, investors and other interested parties.

This month's issue highlights that the company received orders to several markets during the month, including the direct sales markets France, Scandinavia, the UK and the USA as well as to Brazil, India, Israel and Singapore. The orders covered upgrades of earlier equipment at existing customers as well as systems to new customers following successful evaluation of Paxman's equipment.

The newsletter also includes information on that Paxman was one of the finalists in the category SME of the Year at the Franco-British Trade & Investment Awards 2022, that the company was recognised as a 5 Star Employer by the independent employee engagement firm Workbuzz, and on some of Paxman's successful collaborations with advocate and charity organisations during the year.

Finally, Paxman wishes all readers of the newsletter a Merry Christmas and a Happy New Year!

Paxman's investor newsletter is published monthly as a part of the company's effort to strengthen its market communication together with the IR communication agency [Honeybadger](#). Every published issue of the newsletter is available on Paxman's website for investors, www.paxman.se. The company encourages feedback and requests on topics for upcoming issues of the newsletter.

About Us

The Paxman Scalp Cooling System has been developed by the Paxman family to reduce hair loss in breast cancer patients undergoing chemotherapy. The concept behind the system came when the mother of four, Sue Paxman, experienced first-hand the trauma of chemotherapy-induced hair loss. With close to 4,400 systems delivered in to hospitals, clinics and treatment centres around the world, PAXMAN is the leading supplier of Scalp Cooling technology. PAXMAN's scalp-cooling cap is made from lightweight, biocompatible silicone that is soft and flexible, providing a snug yet comfortable fit during treatment. PAXMAN AB (publ) has its headquarters in Karlshamn (Sweden), with subsidiaries in Huddersfield (UK) and Houston, Texas (US).

The PAXMAN share is listed on Nasdaq First North Growth Market.
FNCA Sweden AB is the company's Certified Adviser.
