

Svenska Aerogel launches interview series: “Meet Our Distributors”

Svenska Aerogel Holding AB (publ) (“Svenska Aerogel” or “the Company”) is launching a new short-form interview series highlighting the people and companies representing the Company in markets around the world.

Through a series of short Q&As, Svenska Aerogel’s distributors share their perspectives on local market trends, customer needs and application opportunities for Naerogel®, providing insights into how demand for efficient material solutions is developing across different markets.

“Our distributors have valuable knowledge of their local markets and work closely with customers to identify new opportunities for Naerogel®. With this series, we want to share some of these insights and introduce the people behind our international distribution network,” says Tor Einar Norbakk, CEO of Svenska Aerogel.

The series begins with José Miguel Ortega, Technical Director at Comindex - part of the IMPAG Group, Svenska Aerogel's distribution partner for Iberia and Morocco.
