About Momentum Group

Momentum Group operates, develops and acquires successful sustainable companies in the Nordic region through active ownership with decentralised profit and business responsibility. The Group consists of a number of companies that together constitute one of the Nordic region's leading suppliers of industrial components, industrial services and other related services in the industrial sector. What the businesses have in common is that they help make customers' operations easier, safer and more profitable by offering sustainable, long-life products and services with a strong local presence close to customers. The Group generates revenue of approximately SEK 1.5 billion and has some 500 employees. For more information, please visit momentum.group.
