# HACKSAW GAMING ENTERS PARTNERSHIP WITH CASINO.SI IN SLOVENIA

Hacksaw Gaming has partnered with Casino.si, bringing its distinctive slot portfolio to players at the operator's platform in the locally licensed Slovenian market.

Casino.si is operated by Casinò Portorož, one of the country's most established gaming brands. With origins dating back to 1913, Grand Casino Portorož is the oldest casino in Slovenia and a cornerstone of the nation's gambling heritage.

The launch of Casino.si represents a major milestone for Slovenia's regulated iGaming landscape, becoming the country's only officially licensed online casino platform following the award of a government concession in 2025.

Casino.si combines a strong focus on innovation, security and regulatory excellence with a modern, player-first digital experience.

### **Marcus Cordes, Operational CEO of Hacksaw Gaming:**
