
Byggfakta Group completes the acquisition of BCI Media Group

Byggfakta Group today announces the completion of the acquisition of 100 percent of BCI Media Group, a leading B2B information provider for the construction industry in Australia, New Zealand, Asia and the US.

BCI is providing critical intelligence on current and prospective construction projects essential in lead and sales generation for its clients. With the acquisition of BCI, Byggfakta Group further expands its project information business footprint internationally.

BCI had approximately AUD 40 million (corresponding to approximately SEK 256 million) of revenue in the financial year 2020/21 and approximately 730 employees distributed across the regions Australia, US and Asia.

For further information about the transaction, please see the prospectus published on October 6, 2021.
