

Envipco wins another major RVM order in Romania

Amersfoort, 15 April 2025 – Envipco Holding N.V. ("Envipco" or "the Company"), a leading global provider of recycling systems and Reverse Vending Machine (RVM) technology, today announces another significant RVM order with a major Romanian retail group.

Envipco has secured an additional order for delivery of 400 Optima RVMs with an existing retail customer. Delivery of the order is anticipated through 2025. The order adds to previously announced orders of 200 Optima RVMs announced in Q3 24, more than 140 Optima RVMs announced in Q4 24 and 400 Optima RVMs announced in Q1 25.

"We are pleased to secure another major win in Romania and are proud to once again be the preferred choice for this major Romanian retailer. The strong performance of our Romanian team is reinforcing Envipco's position as the trusted and reliable partner of RVMs in the Romanian market" says Group CEO Simon Bolton.

The Romanian deposit return scheme (DRS), operated by RetuRO SGR, was launched on 30 November 2023 and has since startup collected 4 billion containers for recycling.

Envipco's RVMs are manufactured at the company's production plant in Sebes, Romania.
