Soltech Group awarded prize in China as "The most influential solar investment company 2020"

In the motivation for the award in the eighth edition of the "Solar Energy Cup" it is mentioned, among other things, "The innovative business model that does not take up valuable land resources and the high reliability and quality that Advanced Soltech delivers in its installations" "Solar Energy Cup" was launched as early as 2012 and is an authority in the Chinese solar industry.

Advanced Soltechs CEO Max Metelius comments:

- Advanced Soltech is proud to contribute to the restructuring of China's energy supply in a green direction by using technologically advanced and secure solar energy installations.
