

Mentice receives an order of EUR 1,733,200 for simulation solutions from a world leading MedTech company

Mentice (publ), Gothenburg, a world leader in simulation solutions for image-guided interventional therapies, announced today that a global healthcare technology leader and existing customer of Mentice, has signed an agreement to acquire Mentice VIST® simulation solutions for EUR 1,733,200. The majority of the Mentice VIST® systems are to be deployed in the main APAC markets.

"We are pleased to announce this contract as part of our continued growth in the Medical Device Industry. This is a significant order that underlines our ongoing commitment to supporting physician's procedural and device adoption initiatives through our global medical device clients.", states Göran Malmberg, CEO of Mentice AB.

The order will be recognized for order value in 2023 while the majority of the revenue will be recognized in 2024.
