## Norwegian Armed Forces expands its partnership with 4C Strategies

**4C Strategies, 4C Group AB (publ), a leading provider of solutions for training, readiness, and resilience, has expanded its current partnership with the Norwegian Armed Forces, upgrading the Exonaut platform to the full Collective Training and Exercise Management (CTEM) software solution.**

The agreement spans over the coming five years with an initial software value of 17 MSEK, and the expanded solution will be deployed starting in March 2025.

"The Norwegian Armed Forces has been a valued customer since 2017, and we look forward to growing this partnership moving forward. At a time of global and regional uncertainty, Exonaut provides the global standard for training, exercise, and readiness management, supporting the defence efforts of Nordic, European, and global NATO nations," says Paul Steel, 4C Strategies Vice President EMEA Defence.
