About Solid Försäkring

Solid Försäkring is a non-life insurance company founded in 1993. Solid Försäkring focuses on niche insurance, with the Nordic region as its core market. The non-life insurance operations are divided into three segments: Product, Personal Safety and Assistance. Solid Försäkring has a strong customer base of private customers in the Nordic region which are primarily sourced through partnerships with leading retail chains within several different industries and banks, credit market companies and other financial institutions, travel agencies, car dealerships and car repair shops. Solid Försäkringsaktiebolag is listed on Nasdaq Stockholm.
