

Invitation to the presentation of Maha Energy's Q4 2023

Maha Energy AB (publ) ("Maha" or the "Company") will publish the interim report for the fourth quarter 2023 on Tuesday, 27 February 2024 at approximately 07:30 CET. The publication date has been updated from previously announced February 26. The Company hereby invites all interested parties to a live webcasted presentation on the same day at 14.00 CET. Kjetil Solbraekke, CEO, and Guilherme Guidolin de Campos, CFO, will present the report and recent developments.

The webcast will be held in English and will be broadcasted live. An on-demand version will also be available on Maha's website and YouTube channel. Questions to the presenters can be emailed in advance to the Company at info@maha-energy.com or be made directly on the day of the presentation in the YouTube Comments/Questions field.

About Maha

Maha Energy AB (publ) is a listed, international upstream oil and gas company whose business activities include exploration, development and production of crude oil and natural gas. The strategy is to target and develop underperforming hydrocarbon assets on a global basis. Maha holds direct and indirect interests in producing assets in Brazil and the United States, and in an exploration asset in the Sultanate of Oman. The shares are listed on Nasdaq Stockholm (MAHA-A).
