Intrum AB (“Intrum” and together with its subsidiaries, the “Group”) is pleased to announce that the US Bankruptcy Court, has approved its settlement with a minority group of holders of its Notes due 2025, a sub-group of whom lodged certain appeals and objections in respect of the Group’s pre-packaged Chapter 11 Plan and Swedish Reorganisation Process.

Unless given a different meaning in this release, terms defined in the press releases from July 2024 to March 2025 have the same meaning when used here.

Please find the full details of the previously announced settlement agreement [here](#).

The settlement remains subject to certain conditions precedent which are expected to be satisfied in the coming days.

Intrum continues to progress with implementing its recapitalisation transaction. Having received confirmation of its Chapter 11 plan at the end of 2024, Intrum filed **its plan** as part of the Swedish RP on 14 March 2025. The next step is Intrum’s Swedish plan meeting, which will take place at 9 a.m. CEST on 15 April 2025, where affected creditors will have the opportunity to vote on the **Reorganisation Plan**. The recapitalisation transaction will enable the Group to significantly reduce leverage, extend maturities, and support long term sustainable growth.
