The Nomination Committees' proposal for the Annual General Meeting 2026 of Attendo (including motivated opinion)

Description of the Nomination Committee's work ahead of the Annual General Meeting

The Annual General Meeting 2025 of Attendo (the "**Company**") elected Peter Hofvenstam (nominated by Nordstjernan), Niklas Antman (nominated by Incentive), Anssi Soila (nominated by Pertti Karjalainen) and Bo Börtemark (nominated by Jofam) as members of the Nomination Committee, with Peter Hofvenstam as Chair.

Following the Annual General Meeting 2025, Pertti Karjalainen has replaced Anssi Soila as member of the Nomination Committee. Furthermore, following Nordstjernan's divestment of its shareholding in the Company, Peter Hofvenstam has resigned from the Nomination Committee and Pertti Karjalainen has been appointed Chair of the Nomination Committee.

In preparation for the Annual General Meeting 2026, the Nomination Committee has thus consisted of Pertti Karjalainen (Chair), Niklas Antman (nominated by Incentive) and Bo Börtemark (nominated by Jofam).

In accordance with the instruction adopted by the Annual General Meeting 2025 and the Swedish Corporate Governance Code, the Nomination Committee has prepared proposals for the Annual General Meeting 2026 regarding:

- Election of Chair of the Annual General Meeting
- Election of Chair of the Board and other members of the Board of Directors
- Resolution on Board remuneration, divided between the Chair and the other members of the Board and remuneration for committee work
- Election of, and remuneration to, auditor
- Resolution on updated instruction for the Nomination Committee

The Nomination Committee has held five (5) meetings and conducted interviews with members of the Board of Directors, the CEO and other relevant parties. In addition to this, the Nomination Committee has maintained continuous contact via e-mail and telephone.

PRESS RELEASE

25 March 2026 08:00:00 CET

The Nomination Committee has applied Rule 4.1 of the Swedish Corporate Governance Code regarding diversity. The Committee has sought to ensure that the proposed Board composition is appropriate in relation to the Company's operations, stage of development and overall circumstances, and that it provides diversity and breadth in terms of competence, experience and background. A balanced gender distribution has been taken into account. The Nomination Committee has also considered the time required for Board assignments and evaluated other assignments held by each proposed Board member.

The Nomination Committee has received a presentation of the Board's work from the Chair of the Board and has taken part of the Board evaluation. The overall assessment is that the Board's work is well-functioning and effective.

The Nomination Committee has carefully considered the size and composition of the Board in connection with Suvi-Anne Siimes and Tobias Lönnevall declining re-election. The Nomination Committee's assessment is that the Board's work is well-functioning and that the Company's needs are well met with a Board consisting of six members. The proposed reduction therefore reflects a considered adjustment of the Board's size in light of the current circumstances.

With respect to the proposal regarding election of auditor and remuneration to the auditor, the Nomination Committee has been in dialogue with the Chair of the Audit Committee to take part in the Committee's assessment of the quality and effectiveness of the auditor's work. The proposals are in line with the recommendation of the Audit Committee.

The Nomination Committee's assessment of the proposed composition of the Board of Directors

In the opinion of the Nomination Committee, the proposed Board of Directors has an appropriate composition in relation to the Company's operations, stage of development and overall circumstances and provides diversity and breadth in terms of competence, experience and background. The Nomination Committee's proposal entails that 33 per cent of the Board members elected by the General Meeting are women and 67 per cent are men. The Nomination Committee will continue to prioritise diversity, including gender balance, in its future succession planning.

The Nomination Committee has assessed that the proposed Board members have sufficient time to devote to their assignments in the Company.

Ownership information shall be based on the share register maintained by Euroclear Sweden AB as per the last bank day of August each year. The chair of Attendo's board shall promptly following such day contact the four (4) largest owners by voting rights to prepare the formation of the Nomination Committee.

The chair of the Board shall convene a first constituent meeting of the Nomination Committee. The Nomination Committee's term shall remain in effect until a new committee is appointed.

The committee member that has been appointed by the largest shareholder by vote shall be the chair of the Nomination Committee, unless the committee decides otherwise.

The nomination procedure described above shall take into account that the majority of the members of the Nomination Committee must be independent in relation to Attendo and its executive management. Neither the CEO, nor any other member of Attendo's executive management, may serve as a member of the Nomination Committee.
