

ZignSec Signs Agreement With Trustly Group AB

ZignSec has signed an agreement with Trustly Group AB which means that Trustly will use ZignSec's services for improved KYC (Know Your Customer) processes. Trustly Group AB is a fintech company that provides payment solutions in real time through its technology for direct payment via bank.

Today, Trustly is used by more than 8,000 companies and by 2020 the company had a reach of over 525 million consumers and was integrated into 6,300 banks in over 30 countries in Europe, North America and Australia.

Comment from Timm Schneider, CEO of ZignSec:

"We are very happy to work with Trustly and deliver our services to them. We understand the importance of optimizing KYC processes for payments because they must be both fast and accurate to meet strict regulatory requirements. Both ZignSec and Trustly benefit from the collaboration and will be able to continue to grow together globally."
