## Nolato Group management increases shareholding in the company

The members of Nolato's Group management have together acquired 855,000 shares in the company via Series 3 Incentive Programme warrants that were approved at the 2016 AGM. At the same time, they have together divested 770,000 shares in the company to finance the aforementioned acquisition and manage tax effects.

Following the above-mentioned transactions, the members of Group management (incl. families and companies) have a total holding of approximately 700,000 shares in the company and 355,000 warrants corresponding to the same number of shares upon full utilisation. The holding prior to the transactions was approximately 610,000 shares.
