
ABG Sundal Collier has initiated coverage of Freemelt

Nasdaq First North-listed Freemelt will from September be covered by the independent Nordic investment bank ABG Sundal Collier. Freemelt is a high-tech growth company whose groundbreaking solution creates new conditions for rapid growth in 3D printing. The company's protected technology – which is already available – takes 3D printing to a new level and provides new conditions for manufacturing in a cost-effective way and at a consistent and high quality that was previously impossible.

About Us

Freemelt is a high-tech company whose ground-breaking solution creates new opportunities for rapid growth in 3D printing, also known as additive manufacturing. The company's protected technology enables cost-effective printing to a consistent and high quality. By choosing an open-source solution, the conditions are created for strong growth and expansion towards manufacturing markets. Freemelt was founded in 2017, is listed on Nasdaq First North Growth Markets, has 34 employees, head office in Gothenburg and a manufacturing unit in Linköping. Read more at www.freemelt.com.
