

## Goobit offers tax return tools for crypto transactions via partners

**Goobit Group AB (publ)'s subsidiary, Goobit AB, has partnered with Divly, Monetax and DLT Accounting to offer tax return tools and services for crypto transactions, thereby making the tax reporting process simpler for its customers. These collaborations mean that all customers, regardless of how complex tax return they have, will easily be able to declare their crypto transactions and generate a K4 form.**

"We want to give our customers a helping hand during the tax return period. It can be tricky to get it right with crypto and these collaborations simplify the process. Collaborations like this also align with Goobit's commitment to enable both individuals and authorities to do the right thing", says Christian Ander, CEO and founder of Goobit Group.

"We are proud of our collaboration with Goobit, which amplifies our efforts to make crypto taxes easy. This partnership provides Swedish investors with top-notch solutions, ensuring they can focus on their investment strategies while remaining compliant", says Carl Gärdsell, CEO and co-founder at Divly
