About Smart Eye

Smart Eye is the global leader in Human Insight AI, technology that understands, supports, and predicts human behavior in complex environments. We are bridging the gap between humans and machines for a safe and sustainable future. Our multimodal software and hardware solutions provide unprecedented human insight in automotive and behavioral research—supported also by Affectiva and iMotions, companies we acquired in 2021.

In automotive, we are leading the way towards safer and human-centric mobility through Driver Monitoring Systems and Interior Sensing solutions. Our technology is embedded in next-generation vehicles and available as a standalone aftermarket solution for existing vehicles, fleet, and small-volume OEMs.

Our industry-leading eye tracking systems and iMotions biosensor software enable advanced research and training in academic and commercial sectors. Affectiva's Emotion AI provides the world's largest brands and market researchers with a deeper understanding of how consumers engage with their content, products, and services.

Smart Eye was founded in 1999 and is headquartered in Sweden with offices in the US, UK, Germany, Denmark, Egypt, Singapore, China and Japan. A publicly traded company since 2016, our customers include NASA, Nissan, Boeing, Honeywell, Volvo, GM, BMW, Geely, Harvard University, over 1,300 research organizations around the world, 70% of the world's largest advertisers and 28% of the Fortune Global 500 companies.
