About Pamica Group

Pamica Group acquires small and medium-sized companies, develops them together with successful entrepreneurs, makes them long-term successful and thereby creates value and prosperity. The group has an eternal ownership horizon with high growth ambitions - through organic growth, add-on acquisitions and by increasing the number of platform companies.

We were created by over 200 Swedish entrepreneurs who built companies themselves and who with their broad network, industrial competence and business acumen contribute to our companies' development. Together with management and employees, we create what we call Great Companies. The group, with headquarters in Halmstad, Sweden, includes 18 companies.
