During the extended acceptance period which ended on 8 June 2026, a total of 1,178,172 shares in Maximum Entertainment, of which all are shares of series B, have been tendered in the Offer, corresponding to approximately 2.31 percent of the total number of shares and approximately 1.70 percent of the total number of votes in Maximum Entertainment.

Prior to the announcement of the Offer, Olivine held 100,901 shares of series B in Maximum Entertainment, corresponding to approximately 0.20 percent of the total number of shares and approximately 0.15 percent of the total number of votes in Maximum Entertainment.

Following the end of the extended acceptance period, Olivine thus controls a total of 40,539,024 shares in Maximum Entertainment, of which 1,500,000 shares of series A and 39,039,024 shares of series B, corresponding to approximately 79.32 percent of the total number of shares and approximately 78.19 percent of the total number of votes in Maximum Entertainment.
