PRESS RELEASE

Kambi Group plc initiates share repurchase programme

The Board of Kambi Group plc has decided to start exercising the buyback mandate which was received at the Extraordinary General Meeting on 23 June 2021. The buyback programme will run between 27 October 2021 and 10 November, up to a total of EUR 12 million.

The Board of Directors of Kambi has, empowered by a mandate received at the Extraordinary General Meeting (EGM) on 23 June 2021, decided to initiate a share buyback programme. The objective of the buyback is to achieve added value for Kambi's shareholders and to give the Board increased flexibility with Kambi's capital structure, for example as consideration for an acquisition or upon exercise of share options by employees under Share Option Plans.

Kambi has entered into an agreement with Carnegie Investment Bank AB (Carnegie) to conduct the share repurchases on its behalf. The acquisition of shares shall take place on one or several occasions on Nasdaq First North Growth market in Stockholm and Carnegie will make its trading decisions in relation to Kambi's shares independently of and without influence by Kambi and in accordance with the Maltese Companies Act and other applicable rules. Share repurchases are to be made at a price per share within a defined range. Share repurchases are to be made at a price per share within the recorded interval at any given time, i.e. the interval between the highest buying price and the lowest selling price. Total share repurchases under the programme may not exceed EUR 12 million. Payments for the shares are to be made in cash. According to the EGM resolution, the Company's holding may not exceed (and the Company may consequently not repurchase more than) 3,097,570 which was equivalent to 10% of total share in the Company at that time. Acquisitions can be made as of today, 27 October. No acquisitions will be made during a 30-day period prior to the publication of quarterly results.

At the time of this announcement, the total number of issued shares in Kambi Group is 31,058,797. Kambi does not hold any of its own shares prior to the buyback programme. Information on completed buybacks will also be available on the company's website, www.kambi.com.
