

# Seafire appoints Daniel Repfennig as new CEO and President

**The Board of Seafire AB (publ) has appointed Daniel Repfennig as the new Chief Executive Officer and President. He assumes his position as soon as possible, but on 16 September at the latest.**

Repfennig has many years of experience in corporate development and has many years of experience in corporate development and investment operations at Ratos, Solix and most recently as a director at Polaris Private Equity. Prior to this, he worked as a management consultant at Arthur D. Little. Repfennig is 40 years old and holds a Master of Science in Industrial Engineering and Management from the Royal Institute of Technology and a Bachelor's degree in Business Administration from Stockholm University.

- I am convinced that Daniel, with his leadership, business acumen and experience, will continue to develop Seafire towards new success, says Joachim Berner, Chairman of the Board.

- Seafire is an attractive platform with great potential to create significant shareholder value organically and through acquisitions - I look forward to building a stronger and larger group together with the team, says Daniel Repfennig.
