About Precise Biometrics

Precise Biometrics AB (publ) (“Precise”) is a Swedish-rooted global leader in biometrics, providing trusted access and identity solutions that securely verify and identify people across physical and digital environments.

Guided by our vision of making everyday life safer and more seamless in a world where YOU are the key, we combine biometric hardware systems, algorithms, cloud solutions, and decades of domain expertise to help protect identities, places, devices, data, and digital services against fraud, identity threats, and unauthorized access. Applications range from mobile phones and consumer electronics to physical and logical enterprise access, visitor management, and government identity programs, powering hundreds of millions of devices and authentications every day.

Precise has a strong global presence with local teams across Europe, North America, and Asia. The company is headquartered in Lund, Sweden, and is listed on Nasdaq Stockholm (PREC).
