

# A change in Enersense's Group Executive Team

Enersense International Plc | Stock Exchange Release | October 01, 2024 at 14:55:00 EEST

Jaakko Leivo, EVP, Industry business area and a member of the Group Executive Team of Enersense International Plc has announced his resignation from his position. Leivo will continue in his role and as a member of the Group Executive Team until December 31, 2024. The company has initiated succession search.

"On behalf of myself and all Enersense employees, I want to express our sincere gratitude to Jaakko for his work. Our Industry business area offers demanding projects and services to energy and industrial companies operating in the green energy transition sector. The business area has grown significantly and has a strong and stable relationship with a wide range of customers who are central to our strategy. We will continue to work every day to maintain and further strengthen these good partnerships and connections," says Kari Sundbäck, President and CEO of Enersense International Plc.
