Proposals

Election of chairperson of the meeting, item 2

The board of directors proposes Gunnar Brock as the chairperson of the meeting, or if he is unable to attend the meeting, any other person proposed by the board of directors.

Resolution on allocation of profit according to the adopted balance sheet, item 9 b

The board of directors proposes that no dividend for the financial year 2024 is to be distributed and that the profit for the year is carried forward.

Resolution on number of board members, item 10

The board proposes that the board of directors shall consist of six board members and no alternates.

Determination of fees for the board of directors and the auditor, item 11

The board of directors proposes that no fees should be payable to the board members. The board proposes that a fee shall be payable to the company's auditor on an hourly basis/in accordance with approved invoices according to customary standards for charges.

Election of members of the board of directors and audit firms or auditors, item 12

The board of directors proposes that the existing board members are re-elected for the period until the close of the next AGM. Gunnar Brock is proposed to be re-elected as chairperson of the board of directors.

The board of directors proposes that the current auditor KPMG AB, with Mattias Johansson as auditor-in-charge, is re-elected as auditor for the period until the close of the next AGM.

Resolution on authorization for the board to resolve on new issue, item 13

The board of directors proposes that the board of directors shall be authorized, at one or several occasions, during the time up until the next AGM, with or without deviation from the shareholders' preferential rights, and with or without provisions regarding payment in cash, in kind or through set-off or other provisions, to resolve on new issue of shares. The total number of shares that that may be issued shall not exceed 7,500 shares, which corresponds to a dilution of approximately 10 percent calculated on the current number of ordinary shares in the company. The purpose of the authorization and reason for any deviation from the shareholders' preferential rights is to enable the company to raise working capital, to execute acquisitions of companies or operating assets as well as to enable issues to new investors. To the extent an issue is made with deviation from the shareholders' preferential rights, the issue should be made on market terms.

The board of directors, or a person appointed by the board of directors, shall be authorized to make such minor formal adjustments of the resolution as might be necessary in connection with registration with the Swedish Companies Registration Office (Sw. Bolagsverket).

For a valid resolution, the proposal has to be supported by shareholders representing at least two-thirds of the votes cast as well as the shares represented at the AGM.
