4C Strategies awarded 38 MSEK contracts by a Northern European defence force

4C Strategies (4C), a leading provider of training & exercise management solutions, has been awarded contracts for the delivery of expanded use and functionality in Exonaut to support the development of training and exercise management for a Northern European defence force. The contracts, which include a combination of software and expert services, have a total value of 38MSEK.

“We are pleased to see the extended use of Exonaut with this customer. Through Exonaut, we continue to support capability development in NATO and allied armed forces” says Magnus Bergqvist 4C CEO.
