Image Systems business unit RemaSawco receives order worth just under SEK 9.7 million from global industry group

RemaSawco has signed an agreement with a global industry group regarding two new systems for one of the group's sawmills. Installation and commisioning is included in the agreement.

The total order value amounts to just under SEK 9.7 million.

Delivery, installation and commissioning are planned for the spring 2027.

> It feels very good that RemaSawco ones again receives then trust from a major group within the business. It provides another confirmation that we are doing the right things and that our offer is competitive."

says Erik Swerup, CEO RemaSawco.
