

Xpecunia Nordic Q2 report – new date

Xpecunia postpones the expected date of publication of the Q2 report to the 18th of August.

Xpecunia moves the expected date of publication of the Q2 report from the 5th of August to the 18th of August. The move is due to intraorganizational reasons.

Xpecunia is basically a technical computing company that is expanding to strengthen its long-term potential and create a presence in the rapidly growing market for leased computing capacity. This type of computing capacity is mainly used for AI calculations. The company is listed on NGM Nordic SME in Stockholm, Sweden and on the Stuttgart Stock Exchange in Germany.
