Umeå, Sweden (Sept. 20, 2022) – Zordix AB (Publ)'s (Nasdaq: ZORDIX B) publisher Modus Games, in collaboration with Reply Game Studios, announced today the launch of the fantasy action game Soulstice across PlayStation®5, Xbox Series X|S and PC. An all-new trailer showcasing *Soulstice's* lightning-fast combat and striking visuals has also been released in support of the highly anticipated title: <https://www.youtube.com/watch?v=CmyLCioSAmg>

“Soulstice is a stunning example of dual action combat in a gorgeous fantasy-inspired world. We are proud to be working with Reply Game Studios and launching this game through our AA publisher, Modus,” says Christina Seelye, CEO of Zordix.

Soulstice transports players to the kingdom of Ilden and puts them in simultaneous control of two sisters, Briar and Lute. The primary character, Briar, uses her intense attacks and abilities, while the secondary character, Lute, acts in support by using her ghostly powers to impact the boss fights. As the sisters race toward a Tear in the sky that has formed above the city of Ilden, increasingly horrific beings known as the Spawn of Chaos continue to pour into their world from the other side of the Veil. With an arsenal of weapons and customization options at their disposal, Briar and Lute will have a near-endless array of stylish and creative ways to dispatch their enemies as they explore a city under siege.

To purchase Soulstice Deluxe Edition at a retail price of €49.99/\$49.99, visit the game's website at www.soulsticelgame.com. For the latest details on Modus Games' full lineup, visit its official site or chat with the team on their Discord server at <https://modus.games/discord>.
