

# BeammWave Appoints Svein-Egil Nielsen as New Chairman of the Board

**Svein-Egil Nielsen has been appointed Chairman of the Board of BeammWave AB following the company's Annual General Meeting on May 14, 2025.**

BeammWave AB today announces that Svein-Egil Nielsen has been appointed Chairman of the Board, following a decision made at the Annual General Meeting earlier this week. Nielsen, former CTO and EVP R&D of Nordic Semiconductor, joined the Board of BeammWave in 2024 and brings with him deep industry knowledge and extensive leadership experience from the global semiconductor industry. His appointment marks a strategic step as BeammWave intensifies its commercial efforts and global outreach. The entire Board was re-elected for the period until the next AGM.

*"Svein-Egil has already made a strong contribution to our Board during the past year. His insights into the semiconductor ecosystem and experience from global business development make him an ideal person to lead the Board as we continue our transition into a commercial phase,"* says Stefan Svedberg, CEO of BeammWave.

Commenting on his appointment, Svein-Egil Nielsen says:

*"I'm honored to take on the role as Chairman of the Board at BeammWave. The company has unique digital beamforming technology, recognized by leading customers worldwide, with great global potential I look forward to supporting the management team and my fellow Board members as we now focus on scaling up and building key customer and partner relationships".*
