

BeammWave Chairman Interviewed by Redeye – Focus and Sticking to the Plan

In the latest Redeye interview, BeammWave Chairman of the Board, Svein-Egil Nilsen, was interviewed by Rasmus Jacobsson – Equity Analyst, Redeye. They discuss what made Svein-Egil join BeammWave and how he can help build BeammWave into a successful semiconductor company:

- Broad semiconductor background with experience to go from concept to mass production
- Instrumental role in taking Nordic Semiconductor “from a nobody to a significant player”
- Clear focus – “not being everything for everybody”
- A lot of things will be “under the hood” – “Building brick by brick, nothing comes for free”
- Long-term customer relations are key – “BeammWave already has great customers”
- Great people, great technology and great customers – keeping our focus and delivering on our milestones
