

Press Release
17 November 2023 08:30:00 CET

CFO change OEM International

Johan Broman, CFO at OEM International, has decided to terminate his employment at his own request. Recruitment of a new CFO will begin immediately.

Jörgen Zahlin, CEO comments: Johan has been employed for 17 years within the group and is a valued employee and has contributed strongly to the group's development. Now that he has decided to work to a greater extent with the family's businesses and his own consulting business, we would like to thank him for his valuable contribution and wish him the best of luck.

Johan will continue to work during the notice period until mid-May 2024.

Contacts

About Us

OEM International is one of Europe's leading technology trading companies with 34 operating units in 15 countries. The group operates in the trade of components and systems from leading suppliers in selected markets in Europe. A well-structured local market organisation and efficient logistics make OEM a better alternative to the supplier's own sales organisations.
