

## Envipco listed on Euronext Oslo Børs

Amersfoort, the Netherlands, 19 December 2024 – Envipco Holding N.V. (“Envipco” or the “Company”), a leading recycling technology company delivering reverse vending machines and services for the automated recovery of used beverage containers, is today listed on Euronext Oslo Børs.

Reference is made to the stock exchange announcement 13 December 2024 announcing that Oslo Børs approved Envipco’s transfer from Euronext Growth Oslo to Euronext Oslo Børs.

“The uplisting to Euronext Oslo Børs is an important milestone for Envipco and will provide exciting opportunities for the company. I am proud that Oslo Børs has confirmed that Envipco meets the conditions for admission to the main list. The concurrent timing of Envipco’s uplisting with the EU Council having formally adopted the Packaging and Packaging Waste regulation is a pivotal event in the company’s history. Together with strong support from our shareholders, board and organization the company has an exciting future as deposit return schemes are implemented across Europe and the world”, says CEO Simon Bolton.

Envipco has been listed on Euronext Growth Oslo since 2021. In March 2024 the company’s board of directors resolved to uplist from Euronext Growth Oslo to Euronext Oslo Børs. Envipco is also listed on Euronext Amsterdam.

“Envipco has seen a strong and rising interest from a broad base of investors. The uplisting to Euronext Oslo Børs is another important step to facilitate for a more diversified shareholder base, drive further share liquidity and enable new investors to take part in Envipco’s future growth and value creation” says Chief Strategy & IR Officer Mikael Clement.
