

Alcadon receives 3,7 MGBP data centre order in the UK through Networks Centre

Alcadon, through its UK subsidiary, Networks Centre Ltd., has received a 3,7M GBP order for a new build data centre with the end-user in the finance sector. The order has been placed by a UK-based contractor specialising in mechanical & electrical works for the supply of Legrand cabinets, hot aisle containment (HAC) and power distribution units (PDU). Most deliveries are expected to be shipped during Q4 2023 with the remaining balance to be shipped and invoiced in Q1 2024.

"We have worked hard throughout this process with Legrand in assisting the client and understanding their needs, we are now focused on delivering this prestigious project to the highest possible standards".

Luke Higham, Enterprise Sales Director at Networks Centre
