

Bilia XPENG opens in Malmö

Today, Bilia opens its third XPENG facility in Sweden. It is a full-service facility at Jägersro in Malmö that, in addition to XPENG's first two models in Sweden, the sports sedan P7 and the SUV model G9, offers a modern, digitized and personal experience with everything related to car ownership. We help you with everything from advice, test drives, orders and deliveries to changing tires and performing service.

"We are glad to finally open a facility under our own management in Malmö, after a summer and autumn in temporary premises. We have seen great interest in Malmö as well as at our facilities in Stockholm and Gothenburg, and we continue to plan for further establishment in more locations in Sweden," says Per Avander, CEO of Bilia AB.

"The fact that we can now offer car sales and workshop services in the three largest cities in Sweden is an important step in our establishment in Sweden. We have great confidence in Bilia as a partner and are very happy about the great interest in our products in Sweden. The combination of specific XPENG facilities and the recognized high-quality service that Bilia offers is something we are very pleased with," says Elvis Cheng, CEO of Sweden and Benelux at XPENG.
