

Record loan of MSEK 60 brokered by SaveLend Group

SaveLend Group AB (publ) ("SaveLend Group" or "The Company") has, via the subsidiary Svensk Kreditförmedling, brokered its largest loan to date and thereby generated investment opportunities amounting to SEK 60 million for its savers. The loan is related to a property project in Västerås County and was mediated to a returning customer.

Svensk Kreditförmedling was acquired by SaveLend Group on the first of March this year. They contribute to the group by broadening the base of credits that SaveLend Group offers to its savers. Svensk Kreditförmedling's operations are focused on brokering loans for real estate projects with maturities from 6-24 months, with collateral such as real estate mortgages, share mortgages, and various types of surety bonds. The new record loan of MSEK 60 was mediated to a returning customer with documented good results.

"The fact that we broker our largest loan to a returning customer is, of course, a real sign of trust! However, our primary focus is mainly on the benefits this brings to our savers, partly in terms of new investment opportunities and partly in us continuing to put capital to work quickly and efficiently. I am very impressed by the effort our colleagues at Svensk Kreditförmedling are making!" says Ludwig Pettersson, CEO of SaveLend Group.

About SaveLend Group:

SaveLend Group AB, 559093-5176, is a fintech company with approximately 75 employees and offices in Sweden, Finland and Poland. The business is based on the savings platform SaveLend and the billing platform Billecta.

The savings platform makes it possible for savers to get yield through saving in credits, such as SME, real estate, consumer credit and factoring in both SEK and EUR. The billing platform consists of a complete billing system containing, among other things, accounts receivable, notification and financing solutions.
