

oodash is postponing the publication of the interim report for the fourth quarter 2023

The Board of Directors of Oodash AB (the "Company") has decided to postpone the publication date of the financial statements announcement for 2023 to March 31, 2024, instead of the previously communicated date of February 28, 2024. The reason is that there have been significant changes in the group during 2023, and the Company therefore needs more time to compile the financial figures.
