**About Surgical Science Sweden AB (publ)**

---

One of the biggest challenges within healthcare globally is how injuries during care can be reduced. Medical education and training are key, as a large part of the training today can be performed outside the operating room. Surgical Science is a world leader in the manufacture of virtual reality simulators for evidence-based training. The simulators enable surgeons and other medical specialists to train and improve their psychomotor skills and instrument handling before entering the clinical environment. In parallel with its own products, Surgical Science works with simulation solutions for medical technology companies that develop surgical instruments for clinical use, such as robotic surgery.

Surgical Science has approximately 230 employees. The company is headquartered in Gothenburg, Sweden and also has operations in Stockholm, Sweden, as well as in Tel Aviv, Israel and Seattle, US. Through sales offices in the US, France and China as well as a global network of distributors, Surgical Science maintains a presence in most markets. Surgical Science Sweden AB (publ) is traded on Nasdaq First North Growth Market. Certified Adviser is Erik Penser Bank (Phone: +46 8-463 83 00; E-mail: [certifiedadviser@penser.se](mailto:certifiedadviser@penser.se)).
