About Surgical Science Sweden AB (publ)

Surgical Science is a global leader in evidence-based medical simulation. The company's virtual reality simulators and customized training solutions enable surgeons and healthcare professionals to practice and improve their skills outside the operating room - enhancing patient safety and clinical outcomes. Also, Surgical Science partners with medical technology and robotics companies to integrate tailor-made simulation technology into their devices, helping them accelerate innovation and gain a competitive edge.

Surgical Science has approximately 320 employees. The company is headquartered in Gothenburg, Sweden, and has operations in Tel Aviv, Israel; Stockholm, Sweden; Cleveland, US; and Cardiff, UK. Through sales offices in these markets and in Shenzhen, China, as well as a global network of distributors, Surgical Science maintains a presence in most markets. Shares in Surgical Science Sweden AB (publ) are traded on Nasdaq First North Growth Market, Stockholm, Sweden. Certified Adviser is DNB Carnegie Investment Bank AB.
